Subject: Protest Update #12

Minister, Clerk, DM,

Emerson – The protestors at Emerson have directed the RCMP to negotiate with a Winkler lawyer named Shelley Overwater. The RCMP are engaging with her to attempt to bring this blockade to an end. The border crossing South of Winkler remains open and the vehicles are there in a protest capacity only. The protest remains peaceful. RCMP are actively monitoring all other significant border crossings for protest activity.

Winnipeg – The protestors at Broadway and memorial are openly planning events that are scheduled to begin at 17:00 on Friday. On a positive note, 4 large tractor trailer/trucks left the protest site today. Some organizers are planning other “slow roll” events in Swan River and Brandon this Saturday. On another positive note, WPS confirmed that the protestors have agreed to limit honking to the ours of 9-9 daily for 10 minutes on the hour.

Efforts to organize a counter-protest for Saturday continue. Police and SIB will keep monitoring.

We are tracking a number of other protests being organized, including at Minister Goertzen’s constituency office. At this point the majority of the protests are being organized for this coming Saturday. Police of jurisdiction are being advised of these possibilities and to plan accordingly.

Mike
